Introduction

Q-Camp welcomes new and returning LGBTQ+ college students to the University of California, Riverside every Fall Quarter. UCR's Q-Camp was modeled in 2006 on an all-day Q-Camp Orientation event at the University of California, San Diego. UCSD adopted Q-Camp from a Texas A&M University program.

For 15 years, the UCR LGBT Resource Center has hosted in collaboration with Residence Life's Stonewall Hall an in-person Q-Qamp Orientation event the Sunday afternoon before the first full week of classes. Due to the pandemic, Q-Camp moved online in 2020 to a Zoom event.

This document shares an overview of Q-Camp and 2020 assessment results. Q-Camp successfully builds connections between LGBTQ+ students via ice breakers, speed chatting, and a student panel Q&A. It promotes center and campus resources, student organizations, and ways to get involved on-campus via a presentation by center staff and student leaders.

Q-Camp is marketed by Residence Life as a Welcome Week event and campus-wide by Student Life to all new and returning students. The online registration form also serves to connect students to the center's E-Newsletter.

Many center staff have refined Q-Camp over the years. Nancy Jean Tubbs, Toi Thibodeaux, and Megan Rush developed the most recent versions of Q-Camp. Questions about Q-Camp may be directed to:
